

## Let's Refuel America Gas Card — Your Protection from Rising Fuel Prices

Check out below the savings you could receive. For example, based on a mileage estimate of 17 mpg and a yearly allotment of 708 gallons of fuel (2,125 gallons over total three-year program period) you would save:

If gas prices climb to	Annual savings	Savings over entire three-year program period
\$3.50/gal	\$361	\$1,084
\$3.75/gal	\$538	\$1,615
\$4.00/gal	\$715	\$2,146
\$4.25/gal	\$892	\$2,668

Available miles per year based on a maximum number of gallons which varies depending on model. VISA®/MASTERCARD credit card account required. Allow 4-6 weeks for activation. Excludes small fleet accounts, SRT,® Chrysler Crossfire, Dodge Sprinter, Challenger, Viper, Ram Chassis Cab and Jeep Wrangler, and all other offers. Go to [www.letsrefuelamerica.com](http://www.letsrefuelamerica.com), call (800) 866-4656 or see your dealer for additional restrictions.

## Commonly Asked Questions

- Q How do I qualify for the program?**  
**A** You must purchase a new and unused eligible 2008 or 2009 model year Chrysler, Dodge or Jeep, vehicle (excluding all small fleet accounts, SRT,® Chrysler Crossfire, Dodge Sprinter, Challenger, Viper, Ram Chassis Cab and Jeep Wrangler). In addition, you will need to have an active Visa® or MasterCard credit card account.
- Q Why do I have to give you my Credit Card information?**  
**A** Your credit card information is required so that the \$2.99 fuel purchases can be charged to your designated Visa® or MasterCard credit card account.
- Q How do I enroll?**  
**A** Enrollment is easy and only takes a few minutes. All you need is your 17-digit vehicle identification number (VIN) which is located on the bottom driver's side corner of your windshield, your personal contact information, and your Visa® or MasterCard credit card account information.
- Q What types of fuel may I purchase with my card?**  
**A**
  - If your vehicle uses unleaded gas, the \$2.99 offer covers up to 87 octane only
  - If your vehicle can use E85, the \$2.99 offer will cover E85 or up to 87 octane gasoline only
  - If your vehicle requires diesel fuel, the \$2.99 offer will cover diesel fuel only
- Please note: For unleaded gas cards:** If mid-grade or premium unleaded fuel is purchased, the customer will be billed for the \$2.99 plus \$.15 per gallon for mid-grade (88-89 octane) or plus \$.30 for premium (90-94 octane). All other grades of fuel higher than 94 octane are not covered under this program and the full pump price will be billed through to the customer plus a \$2 service fee per transaction with no gallon usage penalty.  
**For diesel fuel cards:** If customer purchases unleaded gas (including E85) on a diesel card, or diesel fuel on an unleaded gas card, the customer will be billed the full pump price plus a \$2 service fee per transaction with no gallon usage penalty.
- Q How do I know if the pump is charging me \$2.99?**  
**A** When you purchase your gas, the charge will appear on your receipt for the full retail pump price. In most cases, your purchase will appear online in your account statement showing your Let's Refuel America adjusted price within 72 hours. Your account statement will list the retail price at the pump where you purchased the gas, the \$2.99 per gallon you will be charged on your designated Visa® or MasterCard credit card account, and the amount you will be saving after the price adjustment. You will also receive a copy of your statement in the mail.
